

Fluff (Avoid)

Editing

Fluff = also called fillers, are unnecessary words or sentences.

Bad Examples:

- *And that is my report. I hoped you liked it!*
- *That was the best story ever. I really liked it. Everyone should read it.*
- *The End.*

Remember, fluff is like cotton candy: it looks big, but there isn't much inside.

- Edit and rewrite these fluffy sentences using concise, essential words.

1. wow, the modern pogo stick was like the best Invention of all time in 1920 in germany

2. max polig and ernst gottschall call there amazingly fun device a "spring end hopping stick"

3. fantastically an early version was a stick with springs, posing unbelievable Risk to the users chin

4. incredibly pogo inovations lead to such designs as Vurtego Flybar and BowGo

5. i likes to Pogo at home and it's popularity has fluctuated over the many, many years

6. pogo was very, very Popular in the 1970's due to extraordinarily, good Advertisings

7. it gain Public Approval from shows, marriages on pogos, and realy big Jumping Contests!!!

8. the currently world pogo record is 20 hours and 13 minutes I know I couldn't break that record

Pogo stick

Tip: Students use fluff when they run out of things to say. Avoid fluff! Instead use synonyms or think of new ideas by asking *who? what? why? when? how?*

9. today, Extreme Pogo, or Xpogo, had transforms pogo into a action sport – that's crazy!

10. Xpogo sticks has up to a 10-foot bounce with Global Sales growing; I sooo want one

11. listen to this: similiar to Xpogo are jumping stilts, pogo-like stilts for every leg

Extreme pogo stick
No-handed back flips
