

Conjunctions

Editing

Conjunctions = join short sentences together. Use a comma with *and*, *but*, *or*.

Examples:

- The family was here, *and* they started singing.
- Ken bought the cap, *but* he really wanted the jacket.
- Liz drives her car to work, *or* she takes the bus.

Conjunctions make writing more mature and should always be used throughout your work.

- Edit and rewrite the following sentences.

1. the word "moustache" is french and it is derive from italian *moustacio*?

2. it can be spelt as "mustache" or it can appear as "Moustache"!

3. the oldest mustasch portrait is a Horseman from 300 b.c. but the style is likely old

4. historically Mustaches was a sign of Power and they commanded respect

5. in the 1800's british army officers grew them to empress Soldeirs and the trend spred back home

6. mustache wax help keep the hair Styled and some dudes even get mustache transplants

- Sometimes students see a conjunction and automatically insert a comma. Remember, conjunctions join two complete sentences.
